State of Art Suspension

- Stabilizer Straps: Adjustable shoulder, hip and sternum stabilizers fine tune the suspension.
- Internal Reinforced Frame Sheet: Provides flexible support and protects your back.
- Flo-Form II Back Panel: Molded and contoured foam pads provide comfort and support

Suspension Cont'd

- Flo-Form II Shoulder Harness: Made to wrap comfortably over the shoulders and around the chest.
- Adjust-A-Cant Hip Belt: Three different angle settings for proper ride on hips (coin or screwdriver required)

Suspension Cont'd

- Flo-Form II Waistbelt: Tri-density foam padding hugs your hips without pinching or binding.
- Quick Release Compression Straps: Stabilizes the load.
